# 2023 Alvin Emmel Memorial Whitetail Contest

## **GENERAL RULES:**

- Bucks harvested with archery equipment by all participants during the archery season will be eligible only for Archery, Big 8 and Lowest Scoring Buck. During the General Season, Archery harvests are eligible for any category.
- Youth rifle hunters (16yr. & younger on 10/27/23) are eligible for only the Youth, Big 8 and Lowest Scoring Buck categories during the entire-youth hunting season (early & late). During the General Season, Youth harvests are eligible for any category.
- Texas Parks & Wildlife Department rules and regulations enforced.
- Deer must be free-ranging and harvested on W.M.A. property.
- Deer must have never been in a high fenced property.
- Deer must be at least 4.5 years old.
- Deer must be scored and aged by W.M.A. scorers.
- W.M.A scorer's information taken is final. (Committee may review results)
- Scoring will be based on the gross Boone & Crockett score.
- Tie breaker: Total of the right base, longest tine and inside spread.
- Deer must be scored within 48 hours of the harvest. Complete non-frozen head must be brought in.
- The division an entry is placed into is to be decided by the hunter. Once selected, the decision is final.

## **BIG 8 RULES:**

- The deer must be a typical 8 POINT buck having two main beams, two G 1 points (brow tines) and having a total of six typical, "G" tines.
- A deer that had apparently been a "typical 8", but one of the G 1's, G 2's, or G 3's is broken off below the level of where a measurement can be taken (less than one inch), the buck will still be considered an 8 pointer, not a 7 or 6 pointer.
- A deer that had apparently been a clean, typical 9 point or 10 point that has a typical point(s) broken off will not be considered an 8 point for this particular Contest category.
- ANY abnormal scoreable points or broken points (one inch or more) will disqualify the buck from this category
- The animal's Contest score will be the gross, typical B & C score.
